www.specialmetals.com

July 5, 2023

Effective with new orders placed after the close of business on July 5, 2023, the Huntington Alloys division of Special Metals Corporation will raise base prices on all products by 10-20%.

The base price increase is necessary to support continued investment and growth in our business.

Please contact your PCC Energy Group sales representative if you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "Terry Engle". The signature is written in a cursive, flowing style.

Terry Engle
Vice President, Global Sales
PCC Energy Group
